

ABSTRACT OF VOTES

CAST At General Election held November 5, 1974, FOR and AGAINST the Question of Altering the Method of Electing the Members of the Board of County Commissioners

ELECTION PRECINCT	QUESTION: Shall the Structure of the Board of Commissioners of Iredell County be altered so that a majority of the members (3) are elected every two years rather than all five members being elected every two years, the effect of which will be to allow the voters of Iredell County to change control of the Iredell County Board of Commissioners every two years if they so desire, and at the same time would provide continuity in local government?
